

Winter Holiday Fundraiser 2019

This year Glenlea Greenhouses are offering **SIX options** for winter fundraising!

Succulent containers will come in either a beige or a bronze faux log container. Beautifully decorated with three full succulents and decorative moss. Perfect for centerpieces or warm windowsills these will add a beautiful addition to any holiday entertaining table. Due to container availability we cannot do specific container colour requests. [Not to be placed outside]

Succulent gift boxes come with four of our most popular succulent species in 2 ¼" pot. Placed in a sturdy decorative cardboard gift box.

Poinsettia's offering a choice between three different colours: Red, Ice Crystal and White. The poinsettias are grown in 6" pots to give you the best quality plant there is and then showcased in a decorative pot cover.

For the outdoors we will also be offering **door swags** and **16"**

containers to dress up your door this winter. The swags and containers will be a nice blend of different evergreens and will be finished off with a beautiful ribbon bow and decorations.

In addition to the products above we will also be offering our popular **gift cards** that can be used in store or at any of the markets we attend throughout the year **but cannot** be used for future fundraising purchases.

All products will be delivered to your group starting ^{end of} mid-November. This is to ensure that your group will receive the orders at their prime and to avoid the hustle and bustle of the last week before winter break. Colours of pot covers, ornaments, and ribbon will vary. Exact evergreens in the door swag and container will vary depending on availability
